

Create a Digital Experience in your Yearbook!

With Pixami's Digital Link, powered by HP, you can add video, website links and more to your printed book!

HERE'S HOW IT WORKS:

- 1 Click the **Digital Link button** in the Pixami Yearbook Pro toolbar.

- 2 Create a **Digital Link** by giving it a name, and adding a URL to link it to.

- 3 Position the **Digital Link** on your yearbook page.

- 4 Download the free **LinkReader App** from the Apple App Store or Google Play Store. Students can scan the link in their yearbook and view a Digital Experience that jumps off the page!
